

2018 Nagaoka Summer School for Young Engineers (NASSYE) Application Procedure

Nagaoka University of Technology (NUT) is currently inviting students from overseas universities to apply for the Nagaoka Summer School for Young Engineers (NASSYE) in 2018. This program is open to students in their third year*¹ of university undergraduate programs. The program also offers students the opportunity to participate in research on topics set by the laboratories at NUT, as well as experience cultural exchange (including joint activities with NUT students).

1. Program Outline

(1) Field of Study:

- *Mechanical Engineering
- *Electrical, Electronics and Information Engineering
- *Materials Science and Technology
- *Civil and Environmental Engineering
- *Bioengineering
- *Information and Management Systems Engineering
- *Nuclear System Safety Engineering

(2) Number of Students to be Accepted: 20 students

(3) Program Period: August 20 to August 31, 2018

(4) Program Content:

- *Participation in a research-based program at an assigned laboratory
- *Company and city tours
- *Experience Japanese culture

2. Venue

Laboratories at NUT

3. Eligibility

Applicants must satisfy the following conditions:

1) Currently enrolled in the third year*¹ of an undergraduate program at an overseas university at the time of application, and scheduled to graduate before March 31, 2020

**¹ Currently enrolled in the second year for students in a 3-year undergraduate program*

2) Have interest in enrolling in a master's or doctoral program at NUT in the future

3) Have at least one of the following certifications of English language proficiency:

English Test and Minimum Score	TOEFL iBT	61 or above
	TOEFL CBT	173 or above
	TOEFL PBT	500 or above
	TOEIC	550 or above

	IELTS	5 or above
	Cambridge English	155 or above

4. Application Procedure

(1) Application Documents

Applicants must download the necessary forms from the website below and submit the following:

<http://www.nagaokaut.ac.jp/e/kokusai/nassy.html>

- 1) Application Form (Form A)
- 2) Certificate of Enrollment (Form B)
- 3) Academic Transcript

Only the official academic transcript with the institution's authorized stamp or signature will be accepted. If the applicant is not able to obtain this transcript due to their institution's regulations, they must obtain a certified true copy of the transcript. Certification must be made by the registrar or a representative of the institution. The administrative office of the institution may send the certificate directly to NUT.

4) Recommendation Letter

The recommendation letter should be written by the applicant's academic advisor or head of department (or above).

5) Copy of the English language proficiency test score as indicated in Section 3. The required inclusion of a standardized test score in the application can be waived if evidence is provided that the applicant is enrolled at an institution in which the medium of instruction is English.

(2) Additional Notes

- 1) All of the submitted materials above should be filled out in English or Japanese using a word processor or a black ballpoint pen (block letters). If a certificate is written in another language, the applicant must include a translation in English.
- 2) For the forms stipulated in Sections (1) 1) and 2) (Forms A and B), please use only the provided forms from the website indicated above.
- 3) The application will not be accepted unless all of the aforementioned application materials are fully and correctly completed. Applications will be rejected if any of the materials are incomplete or received after the deadline.
- 4) The application materials will not be returned to the applicant under any circumstances.

(3) Deadline and Mailing Address

Deadline (the documents must arrive by): April 13, 2018

Mailing Address for Application: Division of International Affairs
Nagaoka University of Technology
1603-1 Kamitomioka, Nagaoka,
Niigata 940-2188, Japan

Note: The application form and required materials should be submitted by post or international courier service.

5. Selection Procedure

The selection procedure will involve an evaluation of the application documents based on each applicant's academic performance and English language proficiency.

6. Announcement of Acceptance

NUT will send the screening results to successful applicants via e-mail on June 1, 2018. Accepted applicants will also be notified about their assigned academic advisor and research laboratory at NUT.

7. Participation Fee, Financial and Accommodation Support

The program is free of charge for successful applicants, and will not require any payment of participation fees. In addition, NUT will provide the following to each participant:

- 1) Scholarship: JPY 40,000
- 2) Accommodation in Nagaoka during the period specified in Section 1 (3).

Note: Each participant is responsible for the following expenses: round-trip transportation from their home country to Nagaoka, accommodation fees (accommodation fee is free for participants who stay in the accommodations provided by NUT), daily expenses such as food and groceries, as well as the purchase of health and casualty insurance during their stay in Japan.

8. Health and Casualty Insurance

In order to participate in the program, participants are required to purchase health and casualty insurance during their stay in Japan, which will be arranged by NUT.
